ATLANTYX.

Data becomes competitive advantage.

From insight to revenue.

ATLANTYX.

MARKET LANDSCAPE · URGENCY

The world isn't waiting.

While you deliberate, your competitors are already operating with AI.

73%

of companies already use AI in at least one process

McKinsey · 2024

4×

more revenue growth for data-driven companies

BCG · 2024

2026

the year non-AI companies become laggards

Gartner

The question isn't whether you'll adopt AI.

It's whether you'll get there in time.

VALUE PROPOSITION

Why Atlantyx?

Three reasons our clients choose us — and keep choosing us.

01

Complete expertise

End-to-end stack under one roof

Data, BI, AI and governance integrated. No need to rely on three vendors to solve one problem.

02

A model that adapts

Projects · Staffing · 24×7 Squads

Three engagement models, from end-to-end projects to an AI-as-a-service team on continuous delivery.

03

Protected investment

US$ 100K E&O insurance · unique in market

Per-project coverage against errors and omissions. Real protection so the CFO sleeps at night.

CLIENTS · MARKET REFERENCES

Market leaders already trust Atlantyx.

16+ years delivering data and AI solutions to the companies that set the pace in their industries.

ATLANTYX.

Three ways to accelerate your business.

Three engagement models designed for the stage and urgency of your company.

01

PROJECTS AND SOLUTIONS

End-to-end delivery.

From data architecture and engineering to BI and AI in production — with governance, scale and measurable outcomes.

- **Data Platform** architecture & engineering
- **Analytics** executive dashboards
- **IA & GenAI** models in production
- **Atlantyx Suite** proprietary products

02

SPECIALIST STAFFING

The right profile, at the right time.

Senior professionals dedicated to your team on demand, to accelerate critical delivery without the cost of a full-time hire.

- **Data Engineers** pipelines & infra
- **Data Scientists** predictive models
- **BI Specialists** business analytics
- **AI Architects** senior ML & GenAI

03

AGENTS AS A SERVICE

Autonomous agents 24×7.

AI running continuously in your company — customer service, sales, automation and insights on a pay-per-use model.

- **Customer Service** 24×7 sales & support
- **Automation** internal processes
- **Insights** continuous analysis
- **Pay-per-use** variable cost

FINANCIAL RETURN · C-LEVEL VIEW

The ROI your data should already be generating.

Consolidated financial indicators from Atlantyx projects — averages from comparable clients.

38%

Average IRR (3 years)

Data and AI projects applied to revenue, costs and risk

6 months

Average payback

First use case in production + measured operational gain

4.2×

Cumulative ROI

Net present value / investment over 36 months

WHERE THE VALUE APPEARS

Revenue	Cross-sell · retention · dynamic pricing	**+6% to +12%**	*Avg. ticket / LTV*
Operating costs	Process automation · 24×7 agents	**−15% to −30%**	*OPEX / effective headcount*
Cloud & data	FinOps · governance · workload optimization	**−25% to −40%**	*Cost / TB processed*
Risk & compliance	Data quality · predictive alerts	**−60% to −80%**	*Incidents / fines avoided*

TYPICAL INVESTMENT

US$ 4K – 500K / 24 months

CUMULATIVE RETURN (36M)

US$ 280K – 2.1M value unlocked

HOW WE MEASURE

Baseline + KPI targets · quarterly audit

ATLANTYX.

OUR PRODUCTS

A portfolio ready to accelerate your operation.

Six Atlantyx products already running in clients — from AI SDR to data governance.

AI Sales

AI SDR · voice, WhatsApp and email

Prospects any product or service, qualifies leads, books meetings and learns from every conversation.

10× more qualified leads/hr

AI Command Center

Executive KPI hub

Intelligent dashboards, automatic alerts and AI that interprets indicators in real time.

70% less time to decide

AI Decision Copilot

Business Q&A agent

Answers business questions in seconds. Why did revenue drop? Answers, not reports.

10s to generate an insight

Data Governance

Quality, cost and compliance

Monitors data quality, optimizes cloud costs and ensures environment security.

40% cloud cost reduction

AI Performance Squad

AI agents as a service

Full team of 24×7 agents — customer service, sales, analysis and automation without full-time hires.

2 wks to be operational

ConnEX

B2B community management

Member CRM, event pipeline and AI matchmaking for chambers and business associations.

360° unified management

NEXT STEPS

Shall we begin?

Three ways to start the conversation — pick the one that fits your moment.

01

Executive Workshop

2 hours · no cost

Session with your leadership team to map the 3 priority AI use cases for your operation, with estimated ROI and an implementation roadmap.

02

Executive Assessment

15 days · no cost

Data and AI maturity assessment across 6 dimensions, identification of the 3 biggest gaps and an executive report with quick wins for the first 90 days.

03

Proof of Concept

30 days · defined scope

Pick one process from your operation, we define the success KPI and deliver an AI PoC in production with a measured outcome at the end of the cycle.
